# INTEGRATED SOLUTIONS

**Derisking logistics. Delivering visibility.**

We help clients reduce risk and gain full visibility across their supply chain - from mine gate to final delivery - by integrating all logistics functions into a single, seamless solution and using our proprietary technology to track it every step of the way.

## OUR OFFERINGS INCLUDE:

- SUPPLY CHAIN MANAGEMENT
- CUSTOMISED TRACK & TRACE
- LOAD & HAUL
- PORT MANAGEMENT
- PROCUREMENT
- COMMODITY TRADING
- FLEET MANAGEMENT

## WHY ALISTAIR GROUP?

1. **Full Risk Mitigation** – Goods fully insured with all-risk transit cover
2. **24/7 Visibility** – Real-time updates via our proprietary tech dashboard
3. **Integrated Logistics** – No middlemen, no markups, just one accountable partner
4. **End-to-End Control** – From inland loading to ocean freight
5. **Financial Grade Reporting** – Automated stock reports & holding certificates
6. **Traceability Built-In** – Proof of origin, carbon footprint, chain of custody
